BLOWN OUT TO SEA.

e Storm Has Passed and Skating Is Promised.

storm which howled and shricked er housetops in this vicinity yesterday has passed out to sea. It disappeared east of Nova Scotia. It disappeared east of Nova Scotia. The high winds along the coast have moderated and where sixty and seventy mile an hour rales were raging yesterday, comparatively gentle ten-mile zephyrs were blowing to-day.

The weather was generally fair in all parts of the country and no storms were

parts of the country and no storms were in sight. West of the Mississippi there has been a drop in the temperature of from 10 to 22 degrees, and this. Mr. Dunn says, means that the weather will gradually become colder in this vicinity

for the next few days. This will be good news for skaters.

Supt. Allen said this morning that Van Gortlandt Lake would be thrown open to skaters to-day, and a good freeze to-night will put Crotona, St. Mary's and other small lakes into good shape. Skating at Van Cortlandt Lake to-day will be permitted only until darkness sets in. The mercury in this city at 8 o'clock registered 31 degrees. At Boston the thermometer stood at 32; Buffaio, 26; Chicago, 20; St. Louis, 42; St. Paul, zero; St. Vincent, Minn., 6 below; Minnedosa, Man., 26 below. Key West was, as usual, the warmest place, with a temperature of 64 degrees. of 64 degrees.

The indications are for continued fair, colder weather, with northwest winds.

ROUGH TIME AT SEA.

The Braunschweig and Tauric Came Over in Gales.

The steamer Braunschweig, which ha just arrived from Bremen, with 250 steer

just arrived from Bremen, with 250 steerare passengers, reports having had a continuation of heavy southwest and northwest gales with high seas throughout
the passage, accompanied by furious
squalls of hall, snow and rain.

Fire island was sighted at 11 A. M.
yesterday. There was a heavy gale
from east, shifting to northwest, with
a very high cross-sea.

The steamer was obliged to lay to for
two hours to take on board Pilot Jackson, of pilot-boat America, No. 21. The
pilot-boat made two attempts to put the
pilot aboard, but, owing to the high
cross sea running, succeeded only after
sreat difficulty in putting him aboard.

The steamer Tauric, from Liverpool,
arrived at the bar at 9.18 last night. She
had a continuation of heavy gales from
southwest to northwest to the Banks.
From thence to port there was a succession of gales from all points of the compass, blowing with hurricane force, and
accompanied by furious squalts and
mountainots seas.

The Tauric has m board 230 jackasses.
Two died during the bad weather.

FIVE OF HER CREW LOST.

on the Nova Scotia Shore.

(By Associated Press.) HALIFAX, Jan. 31.—In the heavy gale last night the schooner Gertie E. Foster, of Gloucester, was driven ashore at Strawberry Point, about four miles below Liverpool, N. S., and will probably prove a total loss.

There were sixteen men in the crew, five of whom were drowned in trying to reach the shore in their dory; the remaining eleven were taken off the wreck this morning.

BLEW HARD IN HAVERSTRAW

Shafer Building Unroofed in Rockland County's Hard Blow.

YACK, N. Y., Jan. 31.—The storm t vening was felt with much violence h Haverstraw and vicinity.

The roof was blown off the Shafer Building, on Broadway, causing some excitement in that vicinity. The reflection of the electric light made spectators think the house was on fire. An alarm was telephoned to the Fire Department, and the companies turned out.

More damage was done in upper Rocking County by the wind.

Filled-with Paper.

H. Hatch for an order to compel the receiver of the Nicaragua Canal Construction Company to allow him to examine
the books of the corporation.

After a receiver had been appointed a
plan of reorganization was agreed upon
by two-thirds of the stockholders.

Frederick H. Hatch, one of the dissenting stockholders, opposed the plan,
and was refused access to the books.

Mr. Hatch alleged gross mismanagement on the part of those who favored
the plan of reorganization.

In his decision Judge Lucombe says:

In his decision Judge Lacombe says.

When a corporation has suffered financial ship-wirek and its property and assets come into the possession of the court and the custody of the courts offer, the receiver, the question whether or not an inspection of those books shall be accorded to a stockholder is one resting in the discretion of the Court, unhampered by any decision touching such rights of inspection white the corporation was still a going concern in the hands of its officers and directors.

The application in this instance is opposed upon the statement that its object is to obtain material to be used in convincing other alockholders that a proposed plan of reorganization is one which should not be extracted out, that it is primarily intended to interfere with the accomplishment of a plan which meets the approval of a majority of

ting of his execution.

In for further information, to which he is entitled, for further information, to which he is entitled. The Figure says that the documents should be refused it, even though, when it is once obtained, he intends to present it to his fellow, and the refused in a regument to distance them from accepting the plan.

In a summer to distance them from a complising the plan.

In a summer to distance them the plan is the second of the plan.

In a summer that the continuation of the second of the plan is the second of the plan.

FAILED FOR \$250,000.

Big Glove Manufacturer at Gloversville Makes an Assignment.

(By Associated Press.)
GLOVERSVILLE, N. Y., Jan. 31.—
Daniel B. Judson, one of the largest patien B. Judson, one of the largest glove manufacturers of this city, has assigned to Wayland D. West, C. W. Judson and J. B. Judson for the benefit of his creditors.

The liabilities are said to be \$250,000. Mr. Judson has been engaged in the glove business over forty years.

Clothing Failure in Syracuse.
